Data Supply: Metadata

Title

Please provide the title name for your dataset (as listed on your information asset register).

Abstract/Summary

General Content and Features

Please provide a brief narrative summary of the data resource.

Spatial NI Publication/Category

Please select the appropriate category from the list below.

Lineage

Please provide information about the events or source data used in the construction of the data resource. Also include details of anything that has been removed from the data source.

Purpose
Please provide a description of why the data was collected.

Language
Please select the language of the dataset from the list below:

Keywords/Tags
Please list all the unique keywords used to describe the data resource (eg OSNI Fusion, DAERA, Agriculture, Field, Boundaries etc).

Credits
Please provide credits information for the data resource (eg ©Ordnance Survey of Northern Ireland).

Geographic Extent
Please provide the geographic extent of the data resource (eg Northern Ireland, County Antrim, Belfast etc).

Data Supply Spatial Reference System
Please select the spatial reference system for data supply from the list below:

Data Supply Structure
Please select the appropriate category from the list below:

[ ]

Data Supply Format
Please provide the format in which the data supplied is stored (eg ESRI Geodatabase, 3 Band TIFF (JPG Compression) etc).

[ ]

Spatial Resolution
Please provide the measure of the granularity of the data (eg accuracy of topographical surveys, positional accuracy, resolution of imagery etc).

[ ]

Temporal Reference

Temporal Extent
Please provide the date or dates of the content for the data resource (eg collection dates, survey dates, flight dates etc).

[ ]

Dataset Reference Date
Please provide the publication date for the data resource (ie the date the data was first made available).

[ ]

Update Frequency
Please select the appropriate update frequency from the list below:

[ ]

ORDNANCE SURVEY
OF NORTHERN IRELAND®

Constraints

Limitations on Public Access

Please provide any restrictions imposed on the data resource for security and other reasons (eg contains 3rd party Intellectual Property (IP), contains personal information etc).

Use Constraints

Please provide any restrictions and legal restraints on using the data resource (eg. Crown Copyright, Internal business use only etc).

Permitted Access

Please select the appropriate permitted user group from the list below:

Responsible Organisation

Contact Person
Please provide the contact name of the data resource holder

[   ]

Position
Please provide the position of the contact person in your organisation.

[   ]

Organisation Name
Please provide the name of your organisation.

[   ]

Email Address
Please provide the contact persons email address (do not use a generic mailbox).

[   ]

Responsible Party Role
Please select appropriate responsible party role from the list below:

[   ]

Contact Instructions
Please provide any specific contact instructions (eg hours of office opening etc).

[   ]
